In 2023, Worklinks is offering the ‘Working-in-Horticulture’ Project – at Caboolture.

This is a fantastic opportunity to complete AHC20416 Certificate II in Horticulture and get assistance to then find employment in the industry!! No cost to participants, as it is funded by the Qld Government under Community Work Skills funding.

Here are the details to help you decide if this is for you:

- A 12 week program, rolling starts throughout the year, commencing February 2023
- Conducted in Caboolture at the Worklinks premises in the Centenary Lakes complex
- AHC20416 Certificate II in Horticulture, with some landscaping electives – lots of practical, outdoor activities (with some theory of course!)
- Assistance to obtain your driver’s licence (if old enough)
- Building and Construction Safety Card
- Life skills and work readiness training
- Assistance with strategies to overcome mental health and other life challenges
- 2 days per week unpaid work experience (which often leads to employment)
- Fitness activities and a hearty morning tea each day (we love our food!)

Eligibility*:

- Unemployed and not connected to a Workforce Australia provider
- Unemployed and have been with a Workforce Australia provider for more than 6 months
- Wide age range

(*If unsure, check your eligibility with Worklinks)

THIS IS A GREAT, PRACTICAL PROGRAM WITH GOOD PROSPECTS FOR EMPLOYMENT ON COMPLETION!

The “Community Work Skills” program is proudly funded by the Queensland Government’s Skilling Queenslanders for Work (SQW)

Program is located at Caboolture
