Finding your Feet is a 20-week early intervention program for young people aged 12-24 who are disengaged from education and/or at risk of entering the Youth Justice System.

**FYF supports young people by providing:**
- Therapeutic interventions and community connections
- Fitness activities and healthy lifestyle workshops
- Problem solving and team building activities
- Literacy and numeracy support
- Short courses
- Weekly adventure-based learning activities
- Work experience and employment support
- 3-day camps
- Each young person on FYF will have tailored individual support plans and referrals to external agencies where necessary.

Eligibility criteria applies, to find out more enquire with our staff today.
