# CERTIFICATE IV IN YOUTH WORK

**Do you want to work with young people and make a positive difference in their lives?**

Image by Freepik

**If you answered yes, then this course is for you!**

## The Career:

The Certificate IV in Youth Work is a nationally recognised qualification that will equip you with the specialised knowledge to work in a variety of settings with young people.

According to the Australian Government's Job Outlook service, the number of people working in community and welfare support is currently experiencing very strong growth. This very large occupation is expected to create around 19,000 job openings over the next five years.

**NATIONALLY RECOGNISED  
TRAINING**

## The Course:

This course is delivered online within a supportive trainer led environment. All trainers are experienced youth workers who will guide you through the course .

Upon successful completion of this course, you will be qualified to work as a youth worker in various settings, such as:

- Community Organisations
- Residential settings
- Migrant support services
- Youth advocacy organisations

You will also have the core skills needed to pursue further studies in related fields, such as social work, counselling, community development and more.

**Recognition of Prior Learning (RPL) is available for experienced Youth Workers**
