Team Leader Training

Managing is tough. The Worklinks Team Leader workshop will guide you through common challenges and provide you with highly beneficial and practical examples of effective leadership problem solving techniques.

Learning Objectives:

- Understanding the challenges for a team leader
- Demands and constraints of the leaders job
- Common mistakes and myths when leading and managing for the first time
- The skills, habit and tools utilised by successful team leaders and managers

2024 Schedule

- [Friday 22 March 2024,](#)
[Landsborough](#)
[8:30am – 1:00pm,](#)
[Morning Tea Provided](#)
