

AHC30722 CERTIFICATE III IN HORTICULTURE

ABOUT THE COURSE:

 AHC30722 Certificate III in Horticulture: Growing Green Skills! 

What's It All About?

- This certificate is like a magic key to the world of horticulture (that's a fancy word for gardening and plant care). 
- Imagine being part of a team that tends to parks, gardens, and green spaces. You'll learn skills that help you do this job well! 

What Will You Do?

-  Tasks Galore: You'll perform various tasks, like planting, pruning, and nurturing plants. Think of it as a horticultural adventure! 
-  Smart Choices: Sometimes, you'll need to make decisions—like choosing the right tools or coordinating resources. It's like being a plant whisperer! 

So, fellow green thumbs, get ready to sow knowledge, cultivate skills, and watch your horticultural dreams bloom! 

This qualification describes the skills and knowledge for general vocational job roles in the amenity horticulture industry.

Individuals with this qualification perform a broad range of skills that are applied in a wide variety of contexts,

To assist students in participating in successful study, resources will be provided to enrolled students.
