THE COURSE

Learn to assist job seekers in **finding, securing, and retaining employment**, while supporting employers in their recruitment goals. Choose from two flexible online options to fit your lifestyle. Make a difference in individuals' lives and contribute to business success.

New to the Industry? Whether new or experienced this qualification will give you great underpinning knowledge.

Experienced? Go for Recognition of Prior Learning to have your skills recognised

Option 1:

Join our weekly live Tuesday webinar. All assessments are online. Recorded sessions for every unit. Learner Guides are all included.

THE UNITS

This 18-month course is comprised of 14 units, including 9 core units essential for foundational knowledge to equip students with pivotal skills for professional growth. Additionally, the 5 elective units help further develop expertise within the field of Employment Services. This balanced approach ensures graduates are well-prepared with both broad and specialised skills for their chosen field.

Option 2:

If you have 8 or more staff we can tailor a live webinar for your employees.
