# CERTIFICATE III IN COMMUNITY SERVICES

**Do you want to spark change  
through compassion?**

**If you answered yes, then this course is for you!**

## The Career:

Dive into a world where your actions spark change and your compassion touches lives! This qualification is your launchpad into the heart of community services.

As an entry-level community services worker, you'll be providing person-centred services that light up lives. Whether it's offering day-to-day support in community settings or being the driving force behind impactful programs, you're there making a difference.

Upon successful completion of this course, you will be qualified to work as:

- Welfare worker
- Youth Worker
- Career & Employment Services
- Community Safety Worker

## The Course:

Guided by highly experienced industry trainers, your journey will be one of learning, growth, and meaningful contributions. You'll find yourself in a variety of community service organisations, where every day is a new opportunity to uplift, support, and inspire. Join weekly sessions - **Tuesdays 1 pm - 2:30 pm (QLD time)** with additional support available from your trainer via email or phone.

**Eligible for individuals 17 and older with students obtaining a Working with Children Card (volunteer or paid) within the first 6 weeks of enrolment**
