Certificate IV In Career Development & Employment Services

**Do you want to guide job
seekers to their dream career?**

If you answered yes, then this course is for you!

The Career:

Imagine being the driving force behind individuals and groups as they navigate career options, igniting positive transformations in education, the workforce, and transitional phases.

Your role extends beyond guidance; you shape lives, fostering fulfilment:

- Learn to **assist young people and adults** in finding employment, training or further education
- **Support employers** in recruitment goals by being their secret weapon for building dream teams!

Don't miss this opportunity to start or advance your career. Contact Worklinks today for more information on how to enrol in this course

The Course:

This 18-month course is delivered online to give you the flexibility to fit study into your lifestyle. With this qualification, you're equipped to offer comprehensive career guidance, facilitate seamless transitions, and provide invaluable career development and employment assistance.

The dual course is made up of 14 units and delivered within a supportive trainer-led environment. All trainers are experienced and will guide you through the course.

Join weekly sessions - **Mondays 1 pm - 2:30 pm (QLD time)** with one-on-one sessions for trainer support available every Monday. Additional support is also available from your trainer via email or phone.

Recognition of Prior Learning (RPL) is available for those experienced in the Career Development or Employment Services sector
